

## Construction Site Erosion and Sediment Control (COSESCO) Permit Application | Demolition

This application must be approved and a permit issued prior to any land disturbing activity. COSESCO demolition permits are valid for the period indicated on the application, one (1) year maximum. If final stabilization is not achieved as defined by the IDNR in their General Permit No. 2, the permit must be renewed. Operating without a valid permit is a violation and will result in a stop work order and associated penalties.
