 Subdivision

This application must be approved and a permit issued prior to any land disturbing activity including construction of a new structure. COSESCO permits are valid for one (1) year from the date of issue. If final stabilization is not achieved as defined by the IDNR in their General Permit No. 2, the permit must be renewed. Operating without a valid permit is a violation and will result in a stop work order and associated penalties. Call 563.326.7923 if you have any questions about the process or this application.
